

TANGIER SMITH STUDENTS EXCEL IN NFL'S PUNT, PASS AND KICK COMPETITION

Mastic Beach, New York –

Congratulations to Thomas Verga and Joe Lucenti from Tangier Smith Elementary. Both students recently won the Long Island regional for the NFL's Punt, Pass and Kick competition for their age group and earned a trip to Met Life stadium in New Jersey where they got a chance to compete and display their talents for the tri-state area. Thomas, who competed in the 8-9 year old division, place 3rd overall. Joe won the 6-7 year old division and was crowned champion. This was Joe's second trip to the stadium, he was a regional champ last year as well. Tangier Smith is extremely proud of these boys as they became the 12th and 13th regional champs to represent the school in the tri-state regionals.
