Floyd Academy

September 2016

Dear Parents,

As we approach the beginning of a new school year, I would like to take this opportunity to welcome all of you to the Floyd Academy. For some, this letter serves as an introduction and an invitation for us to meet. To all, it constitutes a pledge to provide the best possible education for our students. The Floyd Academy is a newly designed alternative education program to help students succeed in a non-traditional school setting. The Academy offers students in grades 10-12 stimulating and rigorous learning opportunities within a safe, nurturing and supportive setting.

A partnership of teachers, staff, parents and the community at large creates an environment that challenges students intellectually while also promoting the social, emotional and physical development of every student. The staff of the Floyd Academy is dedicated in providing instructional models to meet their individual needs of the students. Each student will have an individualized graduation plan and will be prepared for the demands of the 21st century and for post-high school success. Our ultimate goal is to help each student become an informed thinker who has respect for themselves, concern for others, and the belief that each individual's actions can have a positive impact on the world.

Any school's reputation and success rests, in large, on parental concern and involvement. We seek to offer the best possible education for our students and, at the same time, create a lifelong love for learning. We need your cooperation and understanding if this year is to provide a profitable and satisfying experience for your child. We look forward to developing a partnership in effort to provide the best possible instructional environment which is conducive for success. As always, good attendance is an essential part of a student's success. We urge all students to make every effort to attend school everyday on time in order to get the maximum benefit from their education.

Our remarkable staff, involved parents and committed students come together to make the Floyd Academy a wonderful place. You are welcomed to tour the facilities and meet the staff on September 12th for our "Meet the Teacher Night" I look forward to seeing you all on September 12th.

Upcoming events at the Floyd Academy:

September 1st – Orientation for all students

September 12th – Meet the Teacher Night from 5:30 p.m. to 7:30 p.m.

Regards,

John DeBenedetto
