Immunization Requirement for Students Entering Kindergarten, First and Second Grade Students in the 2016-2017 school year

Dear Parent/Guardian,

New York Public Health Law Section 2164 requires certain immunizations (shots) to enter kindergarten or first grade and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations. They are listed below.

Required Immunizations for Kindergarten, First and Second Grades

Immunization	Number of Doses
Polio	3-4
Hepatitis B	3
Diphtheria/Tetanus/Pertussis	4-5
Measles/Mumps/Rubella	2
Varicella (Chickenpox)	2
All immunizations must be given at proper intervals based on age	

Please send proof of immunization to the school nurse where your child will be attending kindergarten, 1st or 2nd grade.

Proof of immunization must be **any 1 of the 3** items listed below:

- An immunization certificate signed by your health care provider
 - Immunization Registry report (NYSIIS or CIR from NYC) from your health care provider or your county health department
 - A blood test (titer) lab report that proves your child is immune to measles, mumps, rubella, varicella, hepatitis B and/or polio
- * For varicella (chickenpox), a note from your health care provider (MD, NP, DO or PA) which says your child had the disease is also acceptable.

If you have questions or concerns about immunizations, please contact the school health staff.
