Dear Parents,

Over the summer you will be receiving a packet stating who your child's 1st grade teacher will be. In first grade, as in any other grade, being prepared each day with your supplies is very important. It would be greatly appreciated if your child could come prepared with the items listed below on the first day of school. If any of this year's supplies are still in great condition--recycle them! Sales also happen over the summer. Look in the store circulars to save money! **Please label all supplies with your child's name.** ☺

Your child's teacher may request additional items in September according to specific academic needs. If that is the case, you'll receive that information the first week of school.

It is very important that your child read every day all summer long in order for them to continue the work of their second grade teachers. Also, continue to practice addition, subtraction, money, and time.

Thank you in advance and we look forward to working with you next year. Have a wonderful summer.

Sincerely,
