

August 2018

To the Parents/Guardians of Floyd Academy Students:

I hope you enjoyed your summer break, and are looking forward to another productive and enriching school year. We had another extremely successful and productive year at Floyd Academy. With the academic program of the Academy and the nurturing support of the staff, Fifty-five students graduated from the William Floyd School District. This is truly remarkable and proves that any student can graduate from school with the right support and an individualized graduation plan specific for that student.

Our success has drawn an overwhelming interest from the community. Due to the overwhelming interest and limited capacity, we have an extensive list of students waiting to be accepted into the program. *Your child's participation in Floyd Academy is a privilege.*

As a returning Academy Student, your first day of school is Thursday, September 6, 2018.

Transportation will be provided; please be outside of your house 30-45 minutes before the start of school (approximately 9:45 AM, period 1 starts at 10:32 AM).

Our focus this year is to prepare students for successful lives after graduation. We are excited as we continue to work with you and your child to achieve their goals for this school year and goals in the future.

On behalf of the Floyd Academy family, I would like to thank you for your continued support. We look forward to seeing your child on September 6th for the first day of school and you at our "Meet the Teacher Night" which is scheduled for September 17th at 5:00 PM.

Sincerely,

John J. DeBenedetto

Principal
