I heard there was a situation (i.e. on the bus) I am here to help resolve it.

- 1) Tell me what happened.
- 2) Was anyone else involved in the situation?
- 3) Is this the first time you've seen or known about a problem between these students?  
If yes..... Tell me about it;
- 4) Did you ever report the prior incidences? (If so..... to whom....)
- 5) Why do you think this happened now?
- 6) Who else witnessed this event?
- 7) Who helped stop the situation?
- 8) Were there any adults in the area when this happened?
- 9) Is there anything else you want to tell me?
- 10) Are you worried about anything related to this situation?

Thank you for helping me to understand what happened.
