

## **SUBJECT: NON-RESIDENT STUDENTS**

The Board of Education affirms its primary responsibility to educate children who are residents of the District and who are of legal age to attend school. Non-resident families who wish to enroll children in the William Floyd Union Free School District shall submit a request in writing to the Superintendent. The Superintendent will review such requests and make recommendations regarding non-resident student admission to the Board of Education. The Board of Education will have final authority to approve or deny such requests.

Non-resident student enrollment requests will only be considered where:

- a) There is sufficient space to accommodate the non-resident student;
- b) No increase in the size of faculty or staff will be necessary; and

In making determinations regarding the admittance of non-resident students, the District will not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, age, disability or other legally protected category.

In the event a non-resident student is permitted to attend the District's schools, his/her attendance will be subject to the following conditions:

- a) Parents/guardians must work out transfer conditions with the home school district or provide their own transportation;
- b) All rules and regulations in effect for District students will be applicable to non-District students; and
- c) Tuition may be charged to families of non-resident students in accordance with formulas approved by the State Education Department.
