WHEREAS, bills are pending in the State Senate that would: mandate children receive a vaccination for the HPV virus (Senate Bill 298b); allow minors to receive treatment for sexually transmitted diseases without parental consent (Senate Bill 3899A); and allow minors over the age of 14 to obtain vaccinations without parental consent (Senate Bill 4244b); and

WHEREAS, the Board of Education opposes legislation that could cause students to be deprived of a public education by virtue of a good faith opposition to receiving additional vaccinations; and

Whereas, the Board of Education opposes legislation that removes parents from critical decision-making on subjects about which their children may not be mature enough to process on their own without parental guidance and support;

Now, therefore, be it resolved that the Board of Education is authorized to contact state representatives to voice their opposition to the above mentioned bills (and their counterparts in the assembly); and

Be it further resolved, that the Board President is hereby authorized to sign written correspondence to said state officials on behalf of the Board.

Motion by Robert Vecchio, second by Lorraine Mentz.

Final Resolution: Motion Carried
